Club Secretary  
Solent Kestrels

Dear Club Secretary:

As a result of a disciplinary review by Committee members, the following decision has been made regarding W. Zoppilini's disqualification in the game between Kestrels and Bears on the 30/01/2017.

The player is not subject to any disciplinary action since the disqualification was not justified given the sequence of events. The first technical foul was the player's fifth personal foul at which time they would have to have been substituted and therefore classified as an excluded player. The second technical foul was incorrectly administered as a personal foul. It should have been entered on the scoresheet against the Coach as a Bench Technical.

Given that the penalty (free throws and possession) awarded would have been the same, it had no direct effect on the outcome of the game and the result shall stand.

The Committee apologises for the error made by the officials of the game.

You have 7 days if you wish to appeal the decision. Please ensure that you refer to the league rules for the appeal procedure.

Yours Sincerely,

Iain Warner  
Deputy Chairman/Discipline Officer
