Club Secretary
Southbourne

Dear Club Secretary:

As a result of a disciplinary review by myself, the following decision has been made regarding J. Perry's disqualification in the game between Southbourne and Seahawks on the 21/03/2017.

The player receives a one match ban as per the League Rules. The ban is suspended until the end of April 2017 (For the avoidance of doubt, the player is not excluded from any games at this time).

If any further disciplinary action is required for that player, in that time frame, this ban will be enforced in addition to that.

You have 7 days if you wish to appeal the decision. Please ensure that you refer to the league rules for the appeal procedure.

Yours Sincerely,

Iain Warner
Deputy Chairman/Discipline Officer
