Team Secretary – Smugglers

Dear Team Secretary,

Following a review by the Disciplinary Officer of the disqualification from the game between Smuggler and Kestrels on the 4th of May, the following has been decided:

A Byrne receives a one-match ban for the disqualification as per the league rules. This ban is suspended until the end of the current season. If the player receives any other disciplinary action in that period then this ban will also be enforced.

For the avoidance of doubt, the player is not required to be withheld from any games at this time.

If you wish to appeal this decision, please make reference to league rules for the procedure and time limits.

Yours sincerely,

Iain Warner
Vice Chairman and Disciplinary Officer
