Team Secretary – Smugglers

Dear Team Secretary,

Following a further review by the Disciplinary Officer of the disqualification from the game between Smuggler and Kestrels on the 4th of May, it has been brought to my attention that an error was made.

The player should have been permitted to stay in the game with one technical foul and one sportsmanlike foul and the disqualification was made in error.

Therefore the previous ruling can be ignored and shall not factor into any further matters this season.

Our apologies for the error during the game.

Yours sincerely,

Iain Warner
Vice Chairman and Disciplinary Officer
